WINMAN MEMBERSHIP

The Community Behind Every Trail

Every trail tells a story of people who believe in something bigger.

At WinMan, membership is a way to invest in adventure, connection, and the future of this special place. Your support helps sustain the trails, bring people together, and preserve an experience that inspires all who come here.

Along the way, members enjoy unique benefits, shared experiences, and a voice in what comes next.

Be part of the community that keeps moving forward.

Membership has its perks

Your membership doesn't just support the trails – it gives back to you.

- **Exclusive Updates:** Quarterly members-only updates to keep you in the loop on future plans and projects.
- **Voice Your Feedback:** Share your input in members-only surveys each October and April.
- **Member-Only Events:** Join us for special events like our Members Appreciation Weekend every August.
- **WinMan Discounts:** Enjoy 10% off food and drinks in the WinMan Bar & Shop.
- **Local Partner Discounts:**

Beyond the perks, it's about building something bigger

Members are the driving force behind every WinMan adventure. Your support powers each moment on the trails—and so much more. Here's how your membership makes a difference:

- **Keep the Trails Running:** Helps cover the operational costs of building and maintaining our trail system—from specialized grooming equipment to supporting our experienced staff. Every membership fuels the behind-the-scenes work: trail grooming, maintenance, signage, events, and more.
- **Strengthen Our Voice:** Demonstrates our community's strength and impact, which is key when applying for government grants, securing corporate sponsorships, and partnering with donors.
- **Promote Outdoor Adventure & Silent Sports:** Supports the growth of silent sports, outdoor recreation, and shared joy throughout the Northwoods and beyond.
